

SEATTLE GIRLS' SCHOOL

Financial Aid Form

(One form per student)

Please fill out the information below and submit this form with your Registration Form. We will process all of the financial aid requests together after registration closes on April 30, 2008. At that time, we will allocate our resources as equitably as we can among the requesting families. We cannot guarantee that your request will be met, but we encourage you to apply. Financial aid letters will be sent out in May and any remaining balance will be billed to you at that time, due by May 30, 2008.

All tuition, supply fees, and pre-registered extended care fees are included in financial aid assistance.
